Apple Financing: Financial Account Payment Credentials

June 2023

File name Apple Financing - Financial Account Payment Credentials.csv

File description This file contains the payment credentials that Apple has on file for use by a customer to make payments for their Pay Later loan.

Why Apple keeps this information Apple Financing LLC retains this data to be able to process repayments against the outstanding Pay Later loan balance and to evidence which payment method was used by a customer to make payments.

Field Name	Details
